WORKFORCE LEADERS SAY

On-the-job training programs like apprenticeships are a key tool in bridging the middle-skills gap in Texas. This earn-while-you-learn model helps Texans develop sought-after skills and prepare for high-wage, high-demand careers available in our growing economy.

Chairman Bryan Daniel Commissioner Representing the Public Texas Workforce Commission

With 80 years of experience, our truly American apprenticeship system continues to be the premier 'earn while you learn' road to success and the middle class. ³³

REGISTERED APPRENTICESHIP

FOR EMPLOYERS IN TEXAS

WHAT IS REGISTERED APPRENTICESHIP?

Registered apprenticeship is on-the-job training and classroom instruction that prepares students for highly-skilled jobs in various industries.

For each year of a registered apprenticeship program, an apprentice will receive approximately **2,000** hours of paid on-the-job training and a minimum of **144** hours of related classroom instruction. Registered apprenticeship programs are offered for one to six years.

Upon program completion, an apprentice receives an industry-recognized certification that is **portable** from state to state.

Apprenticeship Benefits Employers

Gain a highly skilled workforce

Establish strong employer/employee relations

Reduce employee turnover

Integrate apprentices into the organizational culture

Decrease costs (sponsors typically incur the costs of training)

Fill positions that require multiple or unique

Address critical shortages of labor while training future workers
